Mr. David A. Shepherd,
Sewanee, Tennessee.

Dear Mr. Shepherd:

Enclosed is a receipt for your check
and the note, signed by Daisy Colyar, marked
paid in full.

Daisy was one of the best patients I
have ever had or ever expect to have. A more
faithful, more honest, more conscientious col-
ored person I have never known than Daisy
Colyar.

I wrote her several times not to let
this doctor bill worry her in the least and I
do hope that she didn't worry about it.

If Daisy left any family, I wish that
you would show this letter to them.

With kindest regards, I am

Very sincerely,

E. Dunbar Newell
